FUNCTIONALTY

This Waterproof & Breathable 20K/20K REHALL-DXR-jacket, manufactured with Dermizax outershell fabric in combination with full taped seams and ergonomic fitting, will keep you dry and warm under all circumstances.

The Dermizax shell fabric membrane functionality will be activated upon physical activity. The more you move, the better the functionality of the hydrophilic membrane performs.

Steam and sweat will go out while water is prevented from coming in.

REHALL-DXR-outerwear develops functional and durable garments that will keep you warm and comfortable at all times.
